

# Looking for the Right Fit?

## Senior Manager Actuary

Our client, TD Reinsurance (Barbados) Inc. is a life reinsurer that is ultimately owned by The Toronto-Dominion Bank (TD Bank) of Toronto, Ontario, the second-largest commercial bank in Canada by assets. TD Reinsurance principally reinsures credit insurance policies underwritten by third-party life insurance carriers on consumer loans originated by the Canadian retail branches of TD Bank. TD Reinsurance (Barbados) Inc. has been operating in Barbados for over twenty-five years.

Reporting to the Chairman and Managing Director of TD Reinsurance, the company is seeking to employ a results oriented and highly motivated professional for the post of **Senior Manager Actuary**.

### The Role

- ▶ The Senior Manager Actuary will lead in the development and maintenance of pricing and valuation models used to determine reinsurance rates and to assess risks and profitability for TD Reinsurance's life, health and other insurance or protection products.
- ▶ The successful candidate will monitor existing reinsurance contracts to ensure profitability expectations.
- ▶ The Senior Manager Actuary will perform monthly reporting including variance analysis of results and analyses on a variety of issues that can arise in insurance and banking.
- ▶ The successful candidate will research and provide market intelligence on trends in new and existing business.
- ▶ The successful candidate will perform stress testing (DCAT modeling) for blocks of business.

### The Candidate

- ▶ The ideal candidate will possess an accredited designation from the Society of Actuaries and/ or Fellowship or an Associateship in the Society of Actuaries.
- ▶ A minimum of three years' working experience in insurance, preferably reinsurance.
- ▶ The Senior Manager Actuary will possess experience with GGY Axis, Access and Excel software programmes.
- ▶ Superior financial analysis, analytical and problem solving skills are required for the position.
- ▶ Effective oral and written communication skills, strong business acumen coupled with negotiation and interpersonal skills are essential.
- ▶ The Senior Manager Actuary should be prepared to travel in the post.

**All suitably qualified persons interested in this exciting opportunity should send their Curriculum Vitae with full details of their experience, achievements and qualifications and the names and contact details of two business references to the address below not later than February 3, 2012.**
